

SHOULD I KEEP MY CHILD OFF SCHOOL?

Yes until...

- Chicken Pox (until all blisters have crusted over)
- Vomiting and Diarrhoea (return 48 hours after last episode)
- Flu-like temperature (when they no longer have a high temperature)
- Impetigo (until their sores are crusted and healed or 48 hours after they started antibiotics)
- Measles (4 days after rash appears)
- Mumps (5 days after swelling started)
- Scabies (until they have had their first treatment)
- Scarlet Fever (24 hours after taking antibiotics)
- Whooping cough (48 hours after they started taking antibiotics)

No, but inform your child's class teacher of ...

- Cough
- Sore throat (unless with a high temperature)
- Ear ache
- Head lice
- Hand Foot and Mouth
- Thread worms
- Glandular Fever
- Slapped Cheek
- Tonsillitis
- Conjunctivitis
- Cold Sores

You can find out more information about school attendance on the DfE website here - <https://www.gov.uk/government/publications/working-together-to-improve-school-attendance>
